SEEKING PUBLIC COMMENT ON ADA REVISIONS

January 7, 2011 by cpehrson

The Department of Justice (DOJ) is seeking public comment on the possibility of revising the Americans with Disabilities Act (ADA) regulations to address accessible web information and services, movie captioning and video description, and accessible equipment and furniture.

The Advanced Notices of Proposed Rulemaking (ANPRM) were published in the Federal Register on July 26, 2010, and the comment period for them closes on January 24, 2011. To make a comment, go to the DOJ ADA homepage and click on "Advance Notice of Proposed Rulemaking" to view the ANPRMs, and Fact Sheets.

It's very important that the Department of Justice hears what you have to say. They are seeking answers to 90 questions from the public, both the disability community as well as others.
